"Images haunt  
the mind until  
words on a page,  
strung together,  
offer up expressions  
of truth." - km walker

**From missing Octavia E. Butler (a gift to sci-fi)  
to kayaking and piloting in Alaska;  
from living and working in Africa to  
scuba diving in the Gulf of Aden;  
from childless womb to pondering  
a lyncher's soul, these expressions,  
whatever the written form,  
come from a  
curious and independent mind.**
