Inter-racial/ethnic couples are supposed to be role models for race relations.

Have you ever wondered what happens behind closed doors?

Drawing from her 16-year marriage to a 'white' man, Kim-Marie, a 'black' woman, offers courageous insight navigating the inner realms of intimacy, ethnicity, and race.

With the Top 10 Reasons to Celebrate Interethnic Relationships, *Zebras from Heaven*, takes you a wild ride inside a marriage where race-centric issues deepen intimacy in a union, once taboo.

Topics include:

- Taking personal responsibility for racial baggage
- Effects of mainstream media on interethnic couples
- Why being color-blind is not enough
- Handling difficult conversations about racism
- Why race is a social idea whose time is up...*and*
- Thoughtful explorations for individuals, couples, and groups
